More Vehicles Cross Bridge At Pascagoula Than At Bay St. Louis Bridge

About 70,000 more vehicles crossed the U. S. Highway 90 toll bridge at Pascagoula during November than were recorded at the highway toll span at Bay St. Louis, according to a monthly report released by the Mississippi state highway department.

The traffic figures were given as 234,594 vehicles at Pascagoula and 164,484 at Bay St. Louis. Pascagoula span normally has a slightly greater traffic rate but the report offered no explanation of the greatly increased difference in bridge traffic. Both toll spans are located on east-west Highway 90.

Since its opening on Aug. 2, 1955, fare collections totaling \$2,426,611 have been deposited with the Bay St. Louis bridge fund trustees, the Hancock Bank of Gulfport.

Merry Christmas Everyone!

To little children everywhere—
Refrain foot upon the stair
Eyes filled with wonder, ears that hear
Elfin sharpbells drawing near—
Merry, merry Christmas!

To parents who so lovingly
Have their children crowned Christmas Tree,
The angels who watch them as they go
Caroling through the night—
Happy, happy Christmas!

To men of good will, far and wide,
Who bring to us home this Christmas Eve
As their offering to the Lord—
Blessed, blessed Christmas!

A. M. (Andy) Smith
New Director Of Hi-Way Driver License Division
Public Safety Commissioner Scarbrough has appointed A. M. (Andy) Smith of Jackson as director of the Highway Patrol's driver license division.
Smith, a 43-year-old Marion County native and former field Highway Patrolman, succeeded L. E. Birdsong as Division head. Birdsong, a graduate of the 1940 Patrol Training School who has headed the division since 1932, resigned effective January 1 to accept a post as southern field representative with the American Association of Motor Vehicle Administrators.
Commissioner Scarbrough, at the time of Smith's appointment, personally commended both men, stating that he felt the department of Public Safety was "losing one of its most valuable assets" in the person of Birdsong.
Other recent Patrol promotions include the naming of Horace J. Whitfield, 263 Essex Jackson, as assistant driver license division director, and the promotion of Carver Gore, 3814 Canton Park Drive Jackson, as assistant director of the Mississippi Safety Responsibility Bureau, the post vacated by Smith's appointment.
Whitfield, a native of Bay St. Louis, has been with the Patrol since the early 1940's and presently supervises the Patrol's RMV section.
MISSISSIPPIANS HAVE EVERY REASON TO BE PROUD OF A-H CLUBS
Mississippians have every reason to be proud of their A-H Clubs and the outstanding work being done by the statewide organization. Actually, it was here in Mississippi that the A-H movement came into being. The first rural youth program was a boys' Den Club organized in Holmes County in 1907. This program was the beginning of a nationwide A-H Club organization now having over two million young Americans as members.
